

These types of architectures do

The video shows a man with glasses and a dark shirt speaking. Behind him is a chalkboard with several hand-drawn diagrams and labels. The diagrams include:

- Maker Devices**: A small cube with a wavy line above it.
- Mobile Devices**: A smartphone icon.
- Smart home**: A house icon with a small device inside.
- AWS IoT**: A central label with a circular diagram above it.
- Embedded Devices**: A sun icon with a wavy line below it.

At the bottom of the video frame, there is a subtitle: "They're low-spec, low-powered devices."

The whiteboard contains the following diagrams and text:

- Registry**: A diagram of a database cylinder with a key icon.
- Message Broker**: A diagram of a cloud with horizontal lines inside.
- Engine**: A diagram of a tree structure with a root node and three child nodes.
- Device Shadow**: A diagram of a car outline with dashed lines.
- USA/Or/PDX/Temp**: Handwritten text in the center of the board.
